The advertisement is split into two panels. The left panel shows a woman with dark hair, wearing a light purple top, looking tired and holding a glass of water. A clock in the background shows it's around 10:10. The right panel shows the same woman, now smiling and wearing a pink blazer with a red scarf, looking energetic. A red diagonal line separates the two panels. The 'fatigon' logo is in the top left. The hashtag '#BantuJalaniHari' is at the bottom left. A box of 'fatigon multivitamin dan mineral' is shown at the bottom right, with the text 'Membantu Meningkatkan Kesehatan' below it. At the very bottom, there is regulatory information and a tagline.
